RE: Open Records Request (PD Reference 20060)

Dear Ms. Hoffman:

The City has reviewed your request regarding the use of lethal force against all dogs by law enforcement. Based upon a preliminary review of our records and consultation with those individuals who would be responsible for locating the responsive records, the cost to produce the required records exceeds \$40. Section 552.2615 of the Texas Government Code requires that a governmental body provide a requestor with an itemized statement of estimated charges if charges for public information will exceed \$40.

Itemized estimated charges:

| | | | |
|-----------------------------------|---------------------|---|----------|
| DVDs: | 4 disks @ \$3/copy | = | \$ 12.00 |
| Labor (in limited circumstances): | 6 hours @ \$15/hour | = | \$ 90.00 |
| Overhead: | 20% of Labor | = | \$ 18.00 |

| | |
|------------------------------|------------------|
| TOTAL ESTIMATED COST: | \$ 120.00 |
|------------------------------|------------------|

| | |
|-------------------|----------|
| Deposit Required: | \$ 60.00 |
|-------------------|----------|

Please note that under the Texas Public Information Act these records are also available for inspection. Although there may be some costs associated with inspecting, these costs are likely to be significantly less than those associated with receiving copies of the responsive records. You may visit our offices during business hours and inspect the documents. It is strongly suggested that you make an appointment.

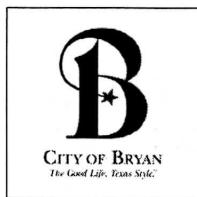

You, the requestor, **must respond to this notice in writing**, either by mail, in person, by facsimile, or by electronic mail. If your written response is not received within ten business days after the date this statement was sent, your request will be considered to have been automatically withdrawn. In your response, you must state that you:

- (A) Will accept the estimated charges;
- (B) Are modifying the request in response to the itemized statement; or
- (C) Have sent to the Texas Attorney General's Office a complaint alleging that you have been overcharged for being provided with a copy of the public information.

This is our best estimate of the cost of producing the records you requested. You will only be responsible for paying the actual cost of the production which may vary slightly from the cost estimate provided above. Please note that when the total cost estimate exceeds \$100, work will not begin until the deposit has been paid. Additionally, if a deposit is required, then payment of the deposit must be received within ten business days after the date this statement was sent, or your request will be considered to have been automatically withdrawn. Thank you for your prompt attention.

Sincerely,
Sarah R. Martin
